All about Your Birth Card

Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.

The Queen of Hearts Person

The Mother Card

As the 'double Neptune' card, the Queen of Hearts has its share of idealism. All of these people possess a certain charm and magnetism that attracts others. They are the 'mothers of love' and share this love with all they come in contact with. They either get married and devote themselves to family or get involved in some professional career. They have more than average ability to be a success in many professions and especially good luck in professions where men predominate.

These people are very sweet, attractive, sociable and loving. They can be very successful artists or performers and all have an appreciation for art and beauty. Many are aware of and make use of their abundance of psychic or musical ability. As long as their idealism is guided by truth, they can live the life of love and nurturing that is their birthright. This is the "Loving Mother" card. Their calling in life has to include sharing their love with others and the more, the better.

When operating on the lower levels, they can be overly self-indulgent, lazy, frivolous, and into the 'good life'. This is a card of enjoyment of the sensual pursuits and experiences. There are many co-dependents, escapists, and alcoholics among the Queen of Hearts as well. Once they set their sights in line with their high ideals and are ready to renounce laziness and complacency, there is no limit to how high they can climb in their work and career.

Some of the Queen of Hearts Issues Concerning Relationships

The people of this card are usually attracted to those of power and financial strength. These are the 'darlings' of the deck. A female Queen of Hearts represents "The woman that all men dream of". She is naturally blessed with all the feminine qualities that can make for a perfect wife or love partner. They are charming and devoted to their families and their ideals of love. There is a certain gaiety and innocence about them and one would hesitate to ever criticize them for anything. Still, their ideals may be too high and sometimes they will attract a partner that will bring them 'back to earth'. Hopefully, the fall will not be too high or too hard.

In some cases the Queen of Heart's charm turns to indecision and a certain disregard for the feelings of others. They can play the field with success or will sometimes attract a partner who is unfaithful or indecisive.

All about Your Planetary Ruling Card

The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.

Ten of Clubs as Your Planetary Ruler

This ruling card adds an aura of specialness to your personality, drawing you towards a high position in your work or profession. Many people with this card become known in some way and others attain great fame. You have teaching ability and probably are a teacher, regardless of what kind of work you officially do. You excel in mental areas though all this power can also make you hyperactive mentally, creating stress or problems in sleeping. It's like your mind never stops. You may even be drawn towards a career as an artist, actor or musician. You are personally an independent person and may have some trouble deciding which line of work to pursue.

Some General Information About the Mercury 13-Year Period Cards

Our Mercury 13-year period is our first thirteen years of life and the importance of this period cannot be exaggerated. It is in this period that our most important life patterns are set. The first seven of these years are the real life-pattern years of our life and we experience each of our Life Path Cards during that time.

The Mercury Cards below describe your childhood to a great extent. They also describe some of the most important influences that were imprinted upon you at an early age. These influences have become a part of your mental state of mind. They influence your thinking and your communications to a great extent. They describe a mental point of view that in turn affects every area of your life.

Some say it is our Mercury Card that leads us in life. New cycles are begun by its influence. It may be the card that signifies what or who starts new cycles in our life. Its importance cannot be overstated. Sometimes these cards describe an important influence in our life. The presence of any of the face cards, for example, would signal an individual who had a profound influence us during our formative years.

The cards below govern your Mercury period of life and describe the mental pattern that you emerged with after going through it.

Your 13-Year
Mercury Card

Your Thirteen-Year Ten of Clubs Period

This period of your life is likely to bring measurable success in one of the mind-related fields or endeavors. This could be school, publishing, teaching, or other areas where large groups are benefiting from your talents and mental brilliance. Recognition for your talents and efforts are common when this card is present. Expect to rise up and be noted during this period. In whatever age you are, you are going to be noticed and applauded for your talents and abilities. This is going to be a time of your life that you will remember as being fun and rewarding, for the most part.

You may find a certain person plays an important role in your life during this period. This person would likely be of the Spades suit, either Birth Card or Planetary Ruling Card. They would be someone who would play either the role of the 'thief' or of a spiritual teacher. In the former this would likely be a person that would do things that were immoral or just wrong from your point of view. If the latter, this person would serve to introduce you to higher concepts which would broaden your perspective on life and spirituality. In some cases, these two apparent opposite influences would be found in the same person.

Essentially, the Ten of Clubs is the card of the 'teacher'. It means spreading knowledge or information to large groups of people. This is a great card for those in the publishing, radio or television businesses where much information is being distributed to large numbers. You may take the role of teacher in one form or another during this special time in your life.

Some General Information About the Venus 13-Year Period Cards

*Your 13-Year
Venus Period is from
8/27/2008 till 8/27/2021*

The Venus Period of life begins at Age 13. It is during this period of life that we learn about love and romance. We are still connected to our family at the beginning of this period but most of us will have departed our family before it is over. Many will be married before this period ends as well.

The events during our Venus period of life often set a pattern for our relationships for the rest of our life. We discover, in this period, what sorts of mates we are attracted to, what our personal approach to relationship is, and what sort of partner we ourselves make. Our Venus Card describes these traits to a large extent.

And, it is in this period that our personal relationship karma makes it debut. We can experience great love and heartbreak, along with many other things as we explore the area of love.

Some even begin developing their own family at this time. And the Venus cards can describe just how our family life will be.

The cards below govern your Venus period of life and tell the story of you and your relationship patterns, as well as describe the events that will occur at this time.

Your Thirteen-Year Eight of Diamonds Period

*Your 13-Year
Venus Card*

This will likely be one of the better periods of your life, one in which you have nont only financial success but also recognition from others. You could even become somewhat famous during this period, especially if you have ambitions to do so.

The Eight of Diamonds is called the 'Sun Card'. It sits in the most prominent place in the Grand Solar Spread, in the Crown Line, in the place of the Sun. Now, it is time for you to shine like the Sun yourself. If you have dreams of reaching a lofty goal in your life, this is the time to do it.

At the same time, be prepared to work hard during this period. The underlying Queen of Spades is usually an indicator of this. But also, this is a card of spiritual self-mastery. Some of you will take the opportunity of this card to develop a deep sense of inner power, power that is greater than making the world do what you want it to with money, power and fame. There could even be a woman of the Spades suit who plays a prominent role in your life during this period. Keep an eye out for her. She will be hardworking and proud.

Depending upon your age in this period you could also experience a certain amount of instability in your personal relationships. An inner sense of uncertainty about who or what you want, in terms of love, could lead to changes and challenges as this period progresses.

But, remember, this is the time for you to shine. You are the Sun now. Rise up to your place in the heavens.

The Cards In Your Mars 13-Year Period

Some General Information About the Mars 13-Year Period Cards

Your 13-Year
Mars Period is from
8/27/2021 till 8/27/2034

The Mars 13-Year period begins at Age 26 and ends when we turn 39 and enter our Jupiter period. It is during this period that our passions are expressed, when most of us begin working in life in a real sense, and when most of us work off a great deal of our past-life karma. Whatever really turns us on in life is explored during this period and the cards here will describe something about that, or how its expression is responded to by those around us.

Our Mars Cards indicate what turns us on and what irritates us. Thus the Mars period can have a lot to do with passion and competition. Most competitive sports figures make their mark during this period of life. Each of us will make our mark as well, exerting the power of our Mars card for better or worse. Since Mars governs sex this is a period when many will have children as a result of their passionate expression.

The Mars period is usually associated with work. In this case it represents putting our Mars energy to work. Your Mars cards may describe your approach to work or even what kinds of work you do at this time. The Mars period is one in which we try different kinds of work to see which fits us best. It is preparation for the coming Jupiter period, when our efforts are more financially rewarded.

Your Thirteen-Year King of Spades Period

Your 13-Year
Mars Card

The King of Spades is the final, and most powerful card in the deck, representing both mastery of one's environment and one's self. Whenever this card appears you can bet that you will experience good fortune and results, but mostly if you are willing to be the King that he is and take the yoke of leadership upon your shoulders.

This means that you can, if you are so inclined, accomplish some incredible things during this period. Success in work and legal matters is highly favored. If you have dreams of being someone in charge of a large organization or business, get ready to have that success in great measure.

At the same time there could be an older man, who is very powerful and successful, who will play an important role in your life at this time. He may actually be a King of Spades or at least of the Spades suit. His influence on you will be considerable and he may help you become more successful at what you do.

The King of Spades bears a great gift, that of success in leadership. But those who are not interested in being a leader will still benefit from this powerful influence. It acts as protection for all sorts of potential events.

The Cards In Your Jupiter 13-Year Period

Some General Information About the Jupiter 13-Year Period Cards

Your 13-Year
Jupiter Period is from
8/27/2034 till 8/27/2047

The Jupiter period of life begins at age 39 and extends until we turn 52 years of age. This period is largely associated with financial and other blessings. It is usually during our Jupiter period of life that we begin making the most money. It is sort of like the harvest season of our life. Your Jupiter cards may indicate what to expect during this period but they also may point to the means by which you will be most financially prosperous.

Finances in the Jupiter period should flow easily if we are in tune with a profession that is truly connected to what we love. If you are struggling during this period, it can only be because you are not doing work that you really enjoy. You might want to keep this in mind as you progress through it.

It is during this period that we experience our important 'cycle of reflection' which includes the Prebirth and Rebirth years of our life. The Rebirth year, or age 45, is considered one of the most important and fortunate years of our life. Seven years after it, we end our Jupiter cycle with the age 52, 'Critical Year' and begin our Saturn cycle. It is important in the Jupiter cycle of life that we open ourselves to the abundance of this world and let go of our struggling. For many, the Critical Year which ends our Jupiter period is the last opportunity to embrace a happy and prosperous life.

With this in mind, study your Jupiter Cards and see if they can help you access the bounty to which you are entitled.

Your Thirteen-Year Three of Hearts Period

Your 13-Year
Jupiter Card

This is likely to be a more or less exciting period of your life, especially where relationships are concerned. You are likely to meet many different people and have many experiences with the opposite sex that will broaden your understanding of life, love and the pursuit of happiness. It is more likely that you will have many relationships during this period rather than be settled down with one person. If you are of age, however, these many relationships could include having children. But apart from children, this influence promotes multiple relationships in different forms.

Also at this time you will possess a great deal of artistic creativity. It would be a great time to explore different artistic forms of expression which could range from song-writing to painting. Expressions of the heart are what is called for.

This same influence will cause you to experience a great deal of uncertainty and even fear in regards to your personal and romantic life. On the low side, the Three of Hearts can represent a worry that we will not get enough love or the love that we need. This, in turn, can stimulate us to pursue multiple relationships in order to guarantee that we will always have someone there. So, it is possible that you will attempt to create multiple relationships or even two or more relationships simultaneously. And, of course, this will usually cause many problems.

The underlying Ace of Hearts during this period will promote introspection and a sincere desire to know what will really make you happy. Time spent alone will be time well spent. And again, this card could signal the birth of a child whose presence could be a transformative influence for you. The underlying message of this card is 'self-love'. Whatever happens, the desire for self-love is at the root of it.

Some General Information About the Saturn 13-Year Period Cards

The Saturn period of life begins with the important age 52, Critical Year. If we have embraced the abundance of our Jupiter cycle, there is no reason to expect Saturn to be anything but more success. The Saturn period is usually considered to be the last really active period of life. Many who have had career ambitions throughout their life will realize their dreams and be recognized for their contributions during this time. Saturn governs the highest house in the zodiac and thus can bestow recognition and reward upon us. Your Saturn card may describe just what you are 'known as' as you complete your life's work. This is not to say that all complete their life's work in Saturn. But it is common for people to move on from a working life to one of other pursuits during this cycle.

Saturn is the great teacher and the Lord of Karma. But usually by our Saturn period of life we have learned his lessons and are ready for his rewards. These consist of ease of life and the wisdom to sustain it on a daily basis. However, it is usually during our Saturn period that health matters assume more prominence for us. Though some may encounter them earlier, most everyone will be reminded that we do not live forever during this cycle of our lives. Thus, in Saturn, we must continue with his disciplines, but now those disciplines will be more directed towards keeping healthy as our bodies decline.

Your Saturn cards described here will tell the story of your Saturn period of life. Remember that even difficult cards can signify good things in Saturn when we have heeded his lessons throughout our lives.

The Basic Meaning of the Ace of Clubs

The Ace of Clubs means a strong desire for knowledge of some kind or the birth of a new idea, plan, or way of communicating with the world around you. This could also mean a desire for some specific information, for an education, or to pursue some new plans you make.

The Ace of Clubs always means a new beginning of some sort. This could be a new job idea or just embarking on a new way of thinking and communicating with others. The exact nature of the beginning will depend on the position of the card and the circumstances in your life at the time, but in general, this is a good time to plan to start something new.

The Cards In Your Uranus 13-Year Period

Your 13-Year
Uranus Period is from
8/27/2060 till 8/27/2073

Some General Information About the Uranus 13-Year Period Cards

Uranus and Neptune are the spiritual periods of our life. The dates for their beginning and ending vary quite a bit and depend upon factors such as how long we live and the quality of the life we have lead up to their beginning. But, in general, these are the periods where we retire from actively working and pursue other interests. Some will pursue spiritual goals exclusively, especially in the Neptune period. But some will mover towards political and social goals in the Uranus period as well as spritual pursuits.

The Uranus period is usually about connecting with our spiritual family. It is usually in this period that we choose a religion, if we haven't already. We become more active in our chosen groups during both these cycles as we prepare a place for ourselves in the life hereafter. Your particular group may not be a spiritual group per se, but it will be one to which you feel that you belong on a deep level.

These periods should provide us with the freedom to explore the deeper meanings of life. And many of us will have profound spiritual experiences and revelations during these periods. As a result of the wisdom we have gained, we are able to lead a happy life with minimal effort and strain. We become like a gentle breeze flowing through the trees. And life can be quite delightful as we grow closer to God. Many will hear Him and feel more attuned to Him and His creation during these cycles of life.

Your 13-Year
Uranus Card

Your Thirteen-Year Queen of Clubs Period

This period of your life will be overshadowed by a certain woman. She is likely very intelligent and high strung, with a quick temper or very quick mind. Or, she could just be anyone whose Birth or Planetary Ruling Card is the Queen of Clubs. In some rare cases, this could be a male with that card.

At the same time, your own intuition will be more apparent to you and you may find yourself involved in some sort of service work where you use your mind a lot. Mental and psychic accomplishments are highlighted during this period.

If you are a person whose Birth or Planetary Ruling Card is a Club, this card can indicate your playing a Queenly role for most of this period. That role would be motherly, nurturing and in service. If you are a female of the Clubs suit, this card would indicate a big focus on your role as a mother, wife or romantic partner. So, you can see that much of its meaning depends upon who you are.

The Queen of Clubs is a card of great intuition, good organizational ability and the desire to serve and nurture others with some form of knowledge or information. Like the King of Clubs, she has much authority and power. But her power comes more from the receptive side of her nature. She knows things before they happen and operates on a high mental vibration. She can be high strung and impatient.

At the same time, the underlying Three of Hearts means that there is bound to be a lot of emotional or romantic uncertainty and creativity during this time. This can translate as many loves or even your having children.

Your 13-Year
Neptune Card

Your Thirteen-Year Ten of Spades Period

This is card of success, ambition and of a large focus on accomplishment. Usually this represents hard work as well. Like the Ten of Wands in the Tarot deck, your work may often seem to be a burden under this card's influence, or you may become obsessed with all the things that you have to do. This card can be a 'workaholic' kind of influence. However, if you have a list of specific goals and want to achieve them successfully, there is hardly a better card to have in your reading than this one.

Essentially you can expect to have many goals and to be achieving them. At the same time, family matters will be settled and satisfactory for the most part. If you are of the right age, marriage is a distinct possibility. And not just marriage, but a satisfactory marriage. You will be enjoying the comfort of friends, family and those you hold most dear.

Its Underlying Card

The Ten of Spades is one of the best cards for success and satisfaction in your work and in health, though you may also expect to work very hard when it is present. Overcoming of all obstacles in work and health are the attributes of this card. The only downside of this card is the tendency to overdo things. By keeping this in perspective you are prepared to take advantage of this and achieve all your goals.

Auspicious Events Occuring from Ages 20 to 40

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). Each position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. There are also special events determined by our age and by certain cards that fall into prominent positions in our Yearly Spreads. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.

About Your Auspicious Events Report

For each of us, there are certain years of our life in which significant events can be predicted and explained using the Science of the Cards. These are events that occur for everyone, but at different times for each. This report will check for and tell you about any Auspicious Events that will be occurring during a range of years specified by the person creating this report.

There will be years in which there are no Auspicious Events. You should be aware of this or you may feel that there are pages missing in your report. Not every year has a significant life event transpiring in it.

Also, this report checks for Auspicious Events for only your Birth Card and Planetary Ruling Card, if you have one. It does not check for auspicious events in your Personality Cards or any other personal signifiers as these have not been found to be consistently significant or accurate.

Some Auspicious Events occur for everyone at the same age of life. These include such events as the Prebirth and Rebirth years and the Critical Year. Others occur a different ages for each card and some of these are extremely significant and powerful. Some bring blessings and gifts while others are reason for caution and care as negative experiences are highly likely. Some bring fame and fortune, others, endings or changes. Knowing ahead of time which influences are present for you allows you to take fuller advantage of them. It is akin to driving at night with your lights on - you can see what is coming and make corrections in your path in order to make your journey more successful. Use this report to take full advantage of the influences coming for you.

THE LIFE SPREAD

Auspicious Events Occuring at Age 20

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). Each position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. There are also special events determined by our age and by certain cards that fall into prominent positions in our Yearly Spreads. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.

This is a Major Completion Year for You

Because you have a Nine card in a prominent position this year (Long Range, Pluto, Result, Environment, or Displacement), we know that this will be a year in which you achieve an important ending in your life. This Nine may occur in either your Birth Card or Planetary Ruling Card Spread. Endings can be seen as disappointments if we disregard their true meaning. In truth they represent graduations from chapters of our life that were important, but are now no longer helpful for our personal growth and development. What is also beautiful about endings is the wonderful freedom we feel after we have passed through it and are on to our next stage of work and development.

Whatever the nature of the endings in your life this year, be glad that you have reached the point in your development that you are ready to move on to better things and relationships. We are often afraid to let go of things that have become so familiar to us. Sometimes we are not even able to see that these things are no longer of any real use to us. Rest assured that this is the case for you. You are ready to move on and by this time next year, you will be in an entirely new and better place for your personal and professional development and expansion.

If you have more than one occurrence of a Nine in these prominent positions, the significance of this completion year becomes even greater and the stronger the likelihood that many areas of your life are coming to an end in preparation for a new phase of development.

Study whatever Nines you may find in your Yearly Spreads carefully. Each one will reveal the specific areas that you may be encountering some important completions.

You can find your True Purpose this Year

There is at least one occurrence of a Six card in your reading in a prominent position (Long Range, Pluto, Result, Environment or Displacement). This might be in either your Birth Card Spread, or your Planetary Ruling Card spread. Either way, this gives you a special opportunity, but one that is only taken advantage of by those who are aware of it. Sixes give us an opportunity to discover what our true purpose is for our life. Most people search their entire life to discover what their life is about and whether or not they have some special purpose or goal that they are to achieve during their time here on the planet. Many never find this purpose at all. Because of the presence of a Six card in a powerful position this year, you will have a special opportunity to discover what your purpose is. Of course, this only applies to you if you have the desire to know. If you are not that interested in knowing more about your life's direction, this will probably manifest

Auspicious Events Occuring at Age 20 (continued...)

itself as a year of steady progress towards existing goals.

Sixes can be frustrating as well because they often represent static and unchanging conditions in our life. However, they also bestow upon us a special ability to perceive that which is usually hidden from our conscious minds. By listening to our inner voice, we can receive great inspiration and direction when these cards are present and you have at least one of them for this entire year. If you have more than one Six in a prominent position in either your Birth Card or Planetary Ruling Card Spreads, then this message becomes even more significant.

Study any and all Sixes that you find in these prominent positions this year, along with other Sixes that appear in your Yearly Spreads. They will reveal much about the special destiny that is coming your way. Good luck on your path to inner discovery.

Auspicious Events Occuring at Age 21

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). Each position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. There are also special events determined by our age and by certain cards that fall into prominent positions in our Yearly Spreads. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.

You will get a Wish Fulfilled This Year

Your Planetary Ruling Card falls in a position this year that is governed by the Planet Jupiter. Because of this you will have a certain amount of good fortune and you will see at least one of your important wishes fulfilled at the same time. This does not mean that every problem in your life will disappear or that everything will be easier. But it does mean that some things will come easier to you and that something you want will manifest itself. This is, for the most part, going to be a year of prosperity and abundance. Though you may have challenges in other areas, there will be much to be grateful for. Magnify this prosperity by receiving it and giving thanks.

You Have Good Career Influences This Year

Because of the position of your Planetary Ruling Card this year, there are opportunities for you to achieve a larger measure of recognition in your work. Of course, if you are not career or business minded, this influence will have little effect on you. But for those who are trying to get more recognition or wish to become better known, this is a year when some of those dreams will come true.

The cards in your Planetary Ruling Card's Yearly Spread will rise up to the 'Crown Line' sometime this year and because of this, people will pay more attention to what you are doing. You could achieve some sort of award or merely become more recognized in your field. Many people receive promotions during years such as these. Just how it will manifest will depend upon the nature of your work or aspirations. Knowing, however, that these influences are present, it would be advantageous to put more effort into becoming recognized.

You have the King of Spades as your Long Range Card this Year

This can be an especially powerful and successful year for you. Because you have a King of Spades Long Range in your Planetary Ruling Card spread, there is little you cannot accomplish. The King of Spades is the most powerful card in the deck when it comes to material and work accomplishment. However, it only benefits those who are willing to take on a role as a leader in their chosen field. It usually implies leadership in some form anyhow, but this can be a special opportunity for you to realize some of your dearest and highest goals. If you are willing to sit down and create a plan for your success or accomplishment, there is little that could prevent you from reaching your goals. Everything will seem to go your way and you will succeed where others have failed. In most areas of competition you will come out the winner. The list of benefits goes on and on and

THE LIFE SPREAD

this could be a year you will never forget for all of the success it will bring. But do keep in mind that these benefits are only available to those who are willing to become a King, which implies being the one who is responsible and willing to direct their own destinies as well as those around them. This opportunity comes rarely in life. Some cards will never have the King of Spades Long Range, while others may only have it once at most. Maximize this special influence while it lasts.

Auspicious Events Occuring at Age 22

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). Each position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. There are also special events determined by our age and by certain cards that fall into prominent positions in our Yearly Spreads. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.

You will get a Wish Fulfilled This Year

Your Planetary Ruling Card falls in a position this year that is governed by the Planet Jupiter. Because of this you will have a certain amount of good fortune and you will see at least one of your important wishes fulfilled at the same time. This does not mean that every problem in your life will disappear or that everything will be easier. But it does mean that some things will come easier to you and that something you want will manifest itself. This is, for the most part, going to be a year of prosperity and abundance. Though you may have challenges in other areas, there will be much to be grateful for. Magnify this prosperity by receiving it and giving thanks.

You can find your True Purpose this Year

There is at least one occurrence of a Six card in your reading in a prominent position (Long Range, Pluto, Result, Environment or Displacement). This might be in either your Birth Card Spread, or your Planetary Ruling Card spread. Either way, this gives you a special opportunity, but one that is only taken advantage of by those who are aware of it. Sixes give us an opportunity to discover what our true purpose is for our life. Most people search their entire life to discover what their life is about and whether or not they have some special purpose or goal that they are to achieve during their time here on the planet. Many never find this purpose at all. Because of the presence of a Six card in a powerful position this year, you will have a special opportunity to discover what your purpose is. Of course, this only applies to you if you have the desire to know. If you are not that interested in knowing more about your life's direction, this will probably manifest itself as a year of steady progress towards existing goals.

Sixes can be frustrating as well because they often represent static and unchanging conditions in our life. However, they also bestow upon us a special ability to perceive that which is usually hidden from our conscious minds. By listening to our inner voice, we can receive great inspiration and direction when these cards are present and you have at least one of them for this entire year. If you have more than one Six in a prominent position in either your Birth Card or Planetary Ruling Card Spreads, then this message becomes even more significant.

Study any and all Sixes that you find in these prominent positions this year, along with other Sixes that appear in your Yearly Spreads. They will reveal much about the special destiny that is coming your way. Good luck on your path to inner discovery.

You Have Good Career Influences This Year

Because of the position of your Birth Card this year, there are opportunities for you to achieve a larger measure of recognition in your work. Of course, if you are not career or business minded, this influence will have little effect on you. But for those who are trying to get more recognition or wish to become better known, this is a year when some of those dreams will come true.

The cards in your Birth Card's Yearly Spread will rise up to the 'Crown Line' sometime this year and because of this, people will begin to pay more attention to what you are doing. You could achieve some sort of award or merely become more recognized in your field. Many people receive promotions during years such as these. Just how it will manifest will depend upon the nature of your work or aspirations. Knowing, however, that these influences are present, it would be advantageous to put more effort into becoming recognized.

This is a Major Completion Year for You

Because you have a Nine card in a prominent position this year (Long Range, Pluto, Result, Environment, or Displacement), we know that this will be a year in which you achieve an important ending in your life. This Nine may occur in either your Birth Card or Planetary Ruling Card Spread. Endings can be seen as disappointments if we disregard their true meaning. In truth they represent graduations from chapters of our life that were important, but are now no longer helpful for our personal growth and development. What is also beautiful about endings is the wonderful freedom we feel after we have passed through it and are on to our next stage of work and development.

better things and relationships. We are often afraid to let go of things that have become so familiar to us. Sometimes we are not even able to see that these things are no longer of any real use to us. Rest assured that this is the case for you. You are ready to move on and by this time next year, you will be in an entirely new and better place for your personal and professional development and expansion.

If you have more than one occurrence of a Nine in these prominent positions, the significance of this completion year becomes even greater and the stronger the likelihood that many areas of your life are coming to an end in preparation for a new phase of development.

You have the King of Spades as your Long Range Card this Year

This can be an especially powerful and successful year for you. Because you have a King of Spades Long Range in your Birth Card spread, there is little you cannot accomplish. The King of Spades is the most powerful card in the deck when it comes to material and work accomplishment. However, it only benefits those who are willing to take on a role as a leader in their chosen field. It usually implies leadership in some form anyhow, but this can be a special opportunity for you to realize some of your dearest and highest goals. If you are willing to sit down and create a plan for your success or accomplishment, there is little that could prevent you from reaching your goals. Everything will seem to go your way and you will succeed where others have failed. In most areas of competition you will come out the winner. The list of benefits goes on and on and this could be a year you will never forget for all of the success it will bring. But do keep in mind that these benefits are only available to those who are willing to become a King, which implies being the one who is responsible and willing to direct their own destinies as well as those around them. This opportunity comes rarely in life. Some cards will never have the King of Spades Long Range, while others may only have it once at most. Maximize this special influence while it lasts.

Of course, this only applies to you if you have the desire to know. If you are not that interested in knowing more about your life's direction, this will probably manifest itself as a year of steady progress towards existing goals.

Sixes can be frustrating as well because they often represent static and unchanging conditions in our life. However, they also bestow upon us a special ability to perceive that which is usually hidden from our conscious minds. By listening to our inner voice, we can receive great inspiration and direction when these cards are present and you have at least one of them for this entire year. If you have more than one Six in a prominent position in either your Birth Card or Planetary Ruling Card Spreads, then this message becomes even more significant.

Study any and all Sixes that you find in these prominent positions this year, along with other Sixes that appear in your Yearly Spreads. They will reveal much about the special destiny that is coming your way. Good luck on your path to inner discovery.

THE LIFE SPREAD

Auspicious Events Occuring at Age 33

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). Each position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. There are also special events determined by our age and by certain cards that fall into prominent positions in our Yearly Spreads. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.

You can find your True Purpose this Year

There is at least one occurrence of a Six card in your reading in a prominent position (Long Range, Pluto, Result, Environment or Displacement). This might be in either your Birth Card Spread, or your Planetary Ruling Card spread. Either way, this gives you a special opportunity, but one that is only taken advantage of by those who are aware of it. Sixes give us an opportunity to discover what our true purpose is for our life. Most people search their entire life to discover what their life is about and whether or not they have some special purpose or goal that they are to achieve during their time here on the planet. Many never find this purpose at all. Because of the presence of a Six card in a powerful position this year, you will have a special opportunity to discover what your purpose is. Of course, this only applies to you if you have the desire to know. If you are not that interested in knowing more about your life's direction, this will probably manifest itself as a year of steady progress towards existing goals.

You Have Good Career Influences This Year

Because of the position of your Planetary Ruling Card this year, there are opportunities for you to achieve a larger measure of recognition in your work. Of course, if you are not career or business minded, this influence will have little effect on you. But for those who are trying to get more recognition or wish to become better known, this is a year when some of those dreams will come true.

The cards in your Planetary Ruling Card's Yearly Spread will rise up to the 'Crown Line' sometime this year and because of this, people will pay more attention to what you are doing. You could achieve some sort of award or merely become more recognized in your field. Many people receive promotions during years such as these. Just how it will manifest will depend upon the nature of your work or aspirations. Knowing, however, that these influences are present, it would

Your Birth Card falls in a position this year that is governed by the Planet Jupiter. Because of this you will have a certain amount of good fortune and you will see at least one of your important wishes fulfilled at the same time. This does not mean that every problem in your life will disappear or that everything will be easier. But it does mean that some things will come easier to you and that something you want will manifest itself. This is, for the most part, going to be a year of prosperity and abundance. Though you may have challenges in other areas, there will be much to be grateful for. Magnify this prosperity by receiving it and giving thanks.

This is a Major Completion Year for You

Because you have a Nine card in a prominent position this year (Long Range, Pluto, Result, Environment, or Displacement), we know that this will be a year in which you achieve an important ending in your life. This Nine may occur in either your Birth Card or Planetary Ruling Card Spread. Endings can be seen as disappointments if we disregard their true meaning. In truth they represent graduations from chapters of our life that were important, but are now no longer helpful for our personal growth and development. What is also beautiful about endings is the wonderful freedom we feel after we have passed through it and are on to our next stage of work and development.

Whatever the nature of the endings in your life this year, be glad that you have reached the point in your development that you are ready to move on to better things and relationships. We are often afraid to let go of things that have become so familiar to us. Sometimes we are not even able to see that these things are no longer of any real use to us. Rest assured that this is the case for you. You are ready to move on and by this time next year, you will be in an entirely new and better place for your personal and professional development and expansion.

If you have more than one occurrence of a Nine in these prominent positions, the significance of this completion year becomes even greater and the stronger the likelihood that many areas of your life are coming to an end in preparation for a new phase of development.

Study whatever Nines you may find in your Yearly Spreads carefully. Each one will reveal the specific areas that you may be encountering some important completions.
